

10 Day Seminar on “The Fundamentals of the English Language”

A Seminar/Workshop will enable the participants to:

1. Have a clear understanding of how the English Language works.
2. Gain mastery in writing correct English, using the vocabulary already familiar to the students.

Cost: R14 000 for a group of no more than 10, or R2 000 per student for the 10 day course.

Venue: To be arranged.

A pre-requirement: Primary school exposure to English as a Home Language, or exposure to Grade 9 English Additional Language.

Available to present the seminar until beginning December, 2014
