

Get listed on the Gateway News Christian Directory

Every church and ministry should be on our [Christian Directory!](#)

For just R250 per year you:

- are permanently featured on a busy Christian website
- you are helping us to bring hope in Jesus through news (See <http://gatewaynews.co.za/south-african-christian-news/> – See 3 minute video on what Christian leaders say about our news ministry: <https://www.youtube.com/watch?v=qRkDcUYCl0Q>)
- The Christian Directory is promoted every fortnight in our Gateway News Connect newsletter and as a bonus promotion we feature every new listing in an edition of Gateway News Connect!
- You may also update your listing from time to time to share your latest news and developments.

To get listed:

- Send an email to advertising@gatewaynews.co.za specifying
 - which directory category you wish to list in,
 - and including general info about your church, ministry, etc; up to five photos; links (e.g. to your website, facebook, a youtube video); and your contact details.
