

New book: Alain Waljee – Living in Victory

Port Elizabeth pastor Alain Waljee strongly believes that by following biblical principles, Christians can live in victory – a theme he explores in his new book *Living in Victory*.

The book begins by looking at where many Christians currently stand – frustrated because their respective realities don't seem to be consistent with the promises of the Word of God – and goes on to show them the way to victorious living, according to a press release by the publicists.

“It is my strong conviction that a Christian's physical and material circumstances have to change as a result of the presence of God inside of us individually, and in our homes and families,” says Waljee.

“Evidence of God's presence will be seen in how attractive our lives begin to appear. This is the true test of the testimony of the Christian.”

Living in Victory: The Journey from Where I Am to Where He Wants Me to Be doesn't promise a quick-fix solution, nor does it offer false expectation of instant change. It does present

a biblical view of transformation in the life of the Christian from a place of frustration to living in victory, says the press release.
