

Irma Simpson

Removal of corrupt judges and court officials  
etc.

Hosea 12:6 We must return to God, maintain  
love and justice, wait for you God always.

I believe we are in a season of advancement.  
We are possessing new territory in different  
spheres of culture.

We as the church must know what we are  
standing for in this hour. We must know  
what we are contending for.

We want to contend for righteousness and  
truth in our judicial system. ( Psalm 89:14  
Righteousness and justice are the  
foundation of Your throne.)

We want men and woman of God positioned  
in the judiciary who are able, who fear God,  
who love truth and hate corruption. ( Exodus  
18)

You can not be just if you are not a lover of truth. We have to be aware of this. We have to live and govern our lives according to the truth of Gods word.

I see God raising an apostolic / prophetic company that is rising up that are prepared to go to battle and conquer. We go in to the battlefield at times of war. There is a great war in the heavenlies at this time over nations and over the nation of SA. It is not a time to stand back but we have to occupy the high places for God. The judiciary system belongs to God and God's divine order needs to be restored. God is tired of corruption.

I see as God's people go to battle wicked men are going to be removed and God is going to replace them with righteous men. I believe we are going to see some sudden lies in the days ahead as the war between light and darkness continues. It is time for the Lion of Judah to roar.

Proverbs 28:5

Evil men do not understand justice, but those who seek the Lord understand all things.

Deuteronomy 16:20

Justice and only justice you will pursue, that you may live and possess the land God has given you.

Psalm 27-29 Turn from evil and do good, then you will dwell in the land forever.

Wrongdoers will be destroyed. The righteous will inherit the land.

We can not react to the plans of the enemy but we must respond to the heart of God.

The enemy camps and opposes the promises of God. God has made promises over our nation.

We as the “ecclesia the called out ones can not fix our eyes on the mistakes of the past or even what we don’t have but we can learn from them and align with God to see what he wants to build in the future to see

His righteousness and justice established in our nation. Even after tonight there will be a shift.

God gave me a dream and I saw a prayer movement starting in this nation that will escalate in the next 4 years. I saw repentance and intercession and people crying out to God. I saw hopelessness, discouragement and destitution over many people. I saw a wave of the HS and I saw fires of revival break out . It started in Cape Town, I saw the wave washing over certain regions George, PE, Uppington, Johannesburg , Durban all the way up into Zambia and Zimbabwe up into Africa. I saw wherever the wave went God's presence brought a cleansing and a healing of the land.

As God's people we must stand and pray to see SA and the nations of the earth align with God's purposes.
