

## PROPHETIC WORDS ON SOUTH AFRICA by JULITA KOK

27 September 2020. Revival is coming

2 days ago, during my 3am watch, God spoke to me about the revival that is coming. He said this. Get ready Julita, as the church will not know what to do with these souls coming in. And I asked Him why that is. And He told me that this revival will not be like any other. It will not be because of an evangelist preaching the gospel or church sermons, but the Holy Spirit Himself will minister to people and many will have encounters with Jesus Himself and because of this, they will be so on fire for Him, that the church will be afraid of them, not knowing what to do with these "radicals". But God is raising up an army Himself, an army who will build His kingdom here on earth like we have never seen before.

A few months ago, during lockdown, I had a vision one morning. Now.... during that past week, I saw angels on the mountain tops surrounding Cape Town, Stellenbosch, Franschoek, Paarl and the Overberg. Angels just watching and waiting. Waiting patiently for something. God never showed me what they were waiting for.... they were just there.... waiting.... thousands and thousands of angels just waiting.

A few years back, God started speaking to me about the holy war that is coming and He instructed me to prepare the worshippers. To get a army of worshippers ready for the holy war that is coming. And since then, every now and again, He reminded me about this war that is coming.

So during that week of seeing the angels waiting on the mountain tops, again during my 3am watch.... I had a vision of Jesus riding into Cape Town on His white horse. He came over the ocean and was just riding slowly and at ease .... riding into Cape Town and He had a huge, huge army of angels with Him riding horses and as He came riding in, He was calling to all the angels on the mountain tops waiting. And they all joined Him. At that moment I knew the holy war is at hand and Jesus Himself is here to fight the battle. This is not our battle as a holy war is always about souls and He is here for this fight. And during this time of lockdown we started Worship SA and the worshippers were doing their part and the watchmen on the walls are praying doing their part and He gave us praise as a weapon .... so I knew the battle is on. We are all preparing the atmosphere and the spiritual realm for what is about to happen in this earth.

Last night we had an earthquake off the shore of South Africa, 6.2. There was no threat of a Tsunami, but for the first time in our history, there was a possibility of such a thing happening in Cape Town. When I heard about it, God reminded me about 2 things. The dream myself and others had about the tsunami hitting Cape Town and its surrounding areas and an assignment I was on one week ago at the Indian Ocean. I want to tell you today not to underestimate the powers at work in the waters. They have been there since the beginning causing havoc.

And this morning, as I was praying into the earthquake asking God about the times and seasons.... I wanted to know exactly where we were at, He reminded me about the sequence of events He showed me the past few years, but also the past few months.

I want to tell you this morning that we live in a time where the bible speaks of the sinners that will go before us. This is the time where the Holy Spirit will encounter many people and He will ignite a fire within them that will run wild as it spreads from Cape Town, through Africa, to Jerusalem and beyond. A time where the church will not control these new born souls as they will know things of Christ which the church could never understand. A complete work will be done in them by the Holy Spirit in an instant. It will not take years, it will be instant. And we as christians on this road for a long time, should be awake as to what God is doing and be careful not to work against God because we want things done in a certain way. Let God be God during this time and move with Him and your eyes will see the most beautiful things happen in the lives of the unsaved. Many of them will go before those saved for many years already.

And as I was praying into all of this this morning of the 27th of October 2020..... I suddenly saw a valley surrounded by many, many mountains. The valley was covered in darkness. And then suddenly, a small light appeared.... not like the sun.... I knew instantly that it was not the sun.... and as I looked closer, I saw it was the Son..... coming in all His glory, surrounded by His angels shouting Holy, Holy, Holy is the Lord..... and this Light grew brighter and shone into all of the dark places of this valley until it covered it all. No more darkness, but only Him shining brightly.

So I want to tell you to prepare yourselves for a mighty, mighty outpouring like this world has never seen before. He is establishing His Kingdom. And I know that I usually see a few years ahead, but this time I know that it is not the future that I see, it is already happening right now in the spiritual realm. It is upon us. Jesus Himself is here to fight this holy war and we will see the results of that in the souls that will be saved without crusades.... they will tell of encounters with Jesus Himself.

RainFire from the Holy Spirit  
29 Sept 2020

I had another encounter with the Lord. Those who know me, know that I go to the mountains to pray. This is where I declare and decree mostly. On Sunday evening, I took my son, Leo, with me for the first time. Now going to the mountains is a journey. It is a 90min journey. It takes effort to get up there. On Sunday evening we did all that for God to tell me that Leo and myself should wait on Him during our midnight watch. So at 12h00 we came together and did a short prayer and just waited. No prayer, no talking.... just waiting upon God to speak to us. I suddenly became aware of 3 men who walked into the room. Faceless. Could only see their shapes and all they did was wait with us. I instantly knew that they came to hear what God is going to say to us.

And when God spoke, it saddened me beyond anything else. In short.... He asked me to welcome His Holy Spirit. When I got saved many years ago, we used to sing songs welcoming the Holy Spirit in our midsts. We used to invite Him to join us at our gatherings, invited Him to teach us. But only few people do this today. Most People do not bother with the presence of the Holy Spirit anymore. The Holy Spirit was so important to Jesus. He told His disciples that He had to go away in order for the Holy Spirit to come. And He called Him the SPIRIT OF TRUTH!! We need the spirit of truth more than ever before. In this day and age..... lies and falseness is our reality. We are bombarded with lies every day and these lies have the power to control our lives. Where the Spirit of Truth is, there can be no lies. And it brings freedom.

And so on Sunday, I knew God wants us to welcome the Holy Spirit once again and “release” (by lack of another word) Him to do what He needs to do in this era we are in. God preciously said that people will have encounters with Jesus Himself and His Holy Spirit will teach them in this time and they will receive the fullness of Christ instantly. So this is what Leo and myself prayed for on Sunday evening. We welcomed the Holy Spirit into our nation and our homes and to all the other nations of the world. And we repented of neglecting the Holy Spirit.

But Leo had a spectacular vision earlier. He saw rainfire coming down on people. I have never heard of rainfire before. I asked him to explain and he said that it is normal raindrops, but they are on fire. Water cannot burn. But I immediately knew what God is doing in this time.

Water cleanses. It is also a sign of the Holy Spirit. Fire refines. God is using the Holy Spirit to send down rainfire to cleanse, purify and refine at the same time as there is no more time for new souls to take 50 years to mature in Christ. He is quickening the process. He is going to baptise people with water and fire simultaneously. Purifying and refining at the same time. And I was reminded about the prophesy of a fire will start in Cape Town and it will spread through Africa to Kairo to Jerusalem and beyond. We have been waiting for this for years. It is upon us. When I was in my early 20's, I heard this prophesy for the first time and God said.... Julita.... your eyes will see it and you will be part of it.

I am telling you today to get ready for what is coming. Not years from now.... it is here. Welcome the Holy Spirit in your homes, your lives. Welcome Him in your city, your nation. “Release” Him to do what He needs to do in people's lives at this time. We have never seen a move of the Holy Spirit as we will see now. Welcome Him!! Songwriters and worshippers.... write and sing about the Holy Spirit and call in the revival!! Go before us with your victory songs!!! Prepare the way for the Holy Spirit to come and witness to people of Jesus who died for them. Intercessors..... watchers on our walls..... protect what God is doing in this time!! He is releasing a new, yet ancient frequency and people's spirit will recognise it.

One of the things God showed me a few months ago, is that there are angels in heaven who have been waiting. They have never been released on earth as they have been waiting for this era. And a few months ago they were released onto the earth for the first time and for THIS time!!!

We have no idea of what is coming!! I am excited beyond measure for God's plans for us. He is going to save by the millions!!! He is sending rainfire from the Holy Spirit to do this and no man will receive the Glory!!! Jesus is coming back!!! God is preparing a kingdom for His Son here on earth and He is in a hurry now.

Be expectant of the rainfire. Pray it down. And welcome the Holy Spirit, the Spirit of Truth, in your midsts.

Julita
