

5 WAYS TO SUPPORT GATEWAY NEWS IN 2025

On Saturday February 8, *Gateway News* celebrated 14 years of publishing the God Stories of Africa. Wow! Thank you Lord for the grace to reach this landmark!

A very big thanks to those of our readers who support us financially. You play such an important part in helping us to press on with our calling to publish news that brings hope in Jesus and keeps Christians informed through our website, newsletter, social media and radio bulletins. A huge thanks to every person who supports our mission through prayer, writing and editing, and sharing news. Your partnering is vital.

We still need to raise finances to keep going. With this in mind let me urge you to consider supporting *Gateway News*. Here are some ways you can partner with us.

4. RADIO SPONSOR

This is an opportunity to sponsor our weekly, prime-time news spot on a national, Christian radio station.

The package includes prominent ads on our website and newsletter. Email: andre@gatewaynews.co.za for more info

5. MEDIA SERVICES

In order to raise income to support our news ministry, I have allocated some time each week to offer writing and video editing services. Writing: press releases, articles, blogs, copywriting. Video editing: editing your clips for podcasts, reports, YouTube and other social media. Email: andre@gatewaynews.co.za for more info.

We want to reach as many people as possible with hope-filling, edifying, Jesus-glorifying news. We publish the news for free so that money is not a barrier for anyone to read or hear or view the news. As a supporter you can help to realise this vision.
