Subject: A CALL TO PARTNER IN FAITH: Supporting the National Prayer Gathering for South Africa's Renewal

Dear Friend of South Africa / Valued Supporter / Esteemed Business Leader / Fellow Believer

We greet you with profound hope and a shared vision for a spiritually renewed and unified South Africa.

The National Prayer Gathering Organizing Committee is diligently working to convene a historic **National Prayer Gathering** at the sacred site of **Entabeni KwaMjaji (Kwanhliziyonye), eMahhashini Area, Nomgoma, KwaZulu-Natal, on Friday, 18 July 2025**. This national call aims to bring together South Africans from all walks of life for corporate repentance, fervent prayer, and a collective seeking of Divine intervention for the healing, restoration, and spiritual renewal of our beloved nation.

The purpose of this gathering, rooted in the themes of **Confession, Repentance, Restoration, and Dedication**, responds to a deep-seated spiritual need for our nation to turn towards God. We believe that by humbly uniting at Kwanhliziyonye – "The Place where God and People Meet" – we can seek Divine guidance to mend our divisions, restore our moral compass, and usher in an era of genuine healing and progress.

To bring this vision to fruition, we require significant resources. Hosting an event of this magnitude, ensuring it is accessible, safe, and impactful, involves considerable logistical and operational costs. These include, but are not limited to:

- **Infrastructure:** Sound systems, staging, ablution facilities, tents/shelter.
- **Logistics:** Transportation for key support staff/volunteers, local coordination.
- **Safety & Security:** Medical support, security personnel.
- **Communication & Mobilization:** Materials for outreach, media engagement, and volunteer coordination.
- **Hospitality:** Basic provisions (e.g., water) for attendees, and modest support for essential guests travelling from afar (where necessary and resources allow).

This is where your generous support becomes vital. We are reaching out to individuals, businesses, churches, and organizations like yours who share our burden for South Africa and believe in the power of collective prayer and spiritual action. Your contribution, whether financial or in-kind, will directly enable us to:

- Create a conducive and sacred atmosphere for national prayer and repentance.
- Ensure the safety and well-being of all attendees.
- Effectively mobilize and communicate this call across the nation.
- Facilitate a gathering that can truly be a catalyst for spiritual transformation.
